My name is Fawn Fenton and I have been married to Jeff Fenton for 13 years. Jeff and I have been separated since April 22, 2018 and I have not seen him since sometime in April when we met to file our taxes. Prior to that I had not seen him since December 2018. I filed for divorce on June 4, 2019.

I am in fear for my safety based on the repeated harassment that has continued to occur. Over the last several weeks Jeff has sent me numerous text messages and lengthy e-mails talking about his intentions on ruining my life, causing me issues with my employer and clients at work, ruining my credit and financially ruining me. As a result of Jeff's continued verbal and emotional abuse and deliberate non-cooperation, I have filed for bankruptcy to preserve my finances. Upon finding out about the bankruptcy petition, Jeff became enraged and his incessant texts and e-mails have been upsetting and vindictive. Just as an example, from June 12 through June 16, Jeff sent me 12 e-mails all of substantial length, describing how he plans on ruining my life. I am attaching just a snapshot of my email account showing the number of e-mails sent from June 12-16. The length of the emails would be too long to attach; however, I have saved them all. In addition, Jeff continues to send me numerous text messages, some very lengthy. In some of the texts he uses derogatory language, calling me a "bitch." On June 14, 2019 he sent me 8 text messages within in less than 40 minutes. The next day, June 15, 2019 he sent me 16 text messages over the course of 4 hours, several of which were extremely lengthy. I have asked Jeff on several occasions to stop e-mailing and texting me, however, he continues to repeatedly harass me. At this point all of his communication to me is not consensual and I have relayed this to Jeff multiple times. On June 15, 2019 Jeff left me a voicemail on my cell phone stating that if I did not call him back or respond to his emails or text messages that he was going to "show up at my work or apartment to try to get some information out of me." I am fearful that he will actually show up at my work, as he has done so in the past and has sabotaged my work e-mails. Jeff has been employed in IT and is very tech savvy. In the past he was able to remotely log into my work computer and delete all e-mails that had his name in them. My company has already spent a considerable amount of money hiring a new IT support team to try and close loopholes and delete Jeff's access to our system, but we are still finding settings that reference Jeff's settings or route to his e-mails. Jeff has also threatened to post derogatory comments anonymously on the internet about both myself and my company. This cyber stalking could potentially cost me my job and career. I am fearful for what he may try to do now that I have filed for divorce and am not responding to his threats.

On June 16, 2019 in one of his lengthy e-mails he stated, "I wish we would have had an asteroid fall on our home and kill us (or at least me)", the day before I discovered your plans to divorce me." Jeff is a licensed gun carrier and has many weapons, and I am in fear of what he may to do me if this continues. Jeff refers to himself as a part of the "extraction team" and lives a very paranoid life. He installed extensive home monitoring at our marital residence including surveillance videos and audio recording systems.

The harassment has caused me undue emotional stress and anxiety. I am unable to sleep well, and his harassment is causing trouble in my day to day life. The continued texting and e-mailing are interfering with my ability to perform my job and I fear that if these things continue that I will reach a point of an emotional breakdown.

Misleading RPC 3.4(b)

Irrelevant RPC 3.4(e)1

NOT MY FAULT!

IF "Trustee" REALLY knew that HUSBAND existed and was on DEED (as "Tenancy by the Entirety"), despite the fraudulently filed bankruptcy petition by Attorney Ausbrooks, then the Trustee must have been a party to the "Conspiracy Against MY Rights and Property" ALSO! Which means they have probably (ALL) played this scam on OTHERS before! Acting United States Trustee for Region 8, Paul A. Randolph needs to be contacted at (901) 544-3251 to inquire further about the Responsibilities of the Trustee, the Attorney, and the Judge, to determine how high-up the chain of command the "FRAUD UPON THE COURT", "Bankruptcy Fraud", Conspiracy Against Rights, Deprivation of Rights and Property "Under Color of Law" went. This could be both a Bivens and a 1983 case, with all the criminal counterparts.

This was the ONLY reason WHY Attorney Virginia Lee Story was HIRED! This is the ONLY reason WHY my ex-wife filed for BANKRUPTCY! To get me OUT OF OUR HOUSE, to TAKE POSSESSION of it, and LIQUIDATE it, while taking all the financial benefit for her creditors (which largely paid HER COUNSEL). Attorney Story tried to pretend like there would be some BENEFIT to US BOTH by depriving me of DUE PROCESS and FORCING THE IMMEDIATE AUCTION OF MY HOME! Foreclosure would have been FAR BETTER FOR ME, for the Federal Protections, the Right to Redemption, the NOTICE, the Protecting Tenants at Foreclosure Act.

on the market and sold immediately. If, however, Husband continues to reside in the home without paying the mortgage, foreclosure proceedings will begin and the parties will be charged late fees, attorney's fees, foreclosure costs and closing costs. If the foreclosure begins, then the parties will have no equity in the property.

Of the \$1,400 per month in rents, Wife was given the financial benefit and relief of approximately \$900 per month!

By calculations she provided me a few months earlier, stating she was about \$500 short per month from cash-flowing, she SHOULD have cash-flowed for the FIRST time since she erratically moved out without need or notice, plus had a \$400 per month SURPLUS!

She had to take a PAY-CUT to try to "QUALIFY" for BANKRUPTCY!

This was ALL a highly orchestrated SCAM, not against the government or the creditors, but AGAINST ME!

This was all FRAUDULENT hyper-babble in a ludicrous attempt to LOOK AS THOUGH she JUSTIFIED STEALING MY PROPERTY.

While Judge Michael W. Binkley was "in on it" from the beginning!

There was ZERO "Impartiality"!

The Hearing was supposed to be on "whether or not" to sell, but ALL that Binkley and Story wanted to discuss was WHEN and by WHAT MEANS to SELL!

It was ALL a FRAUDULENT SHOW!!!

8. As part of the bankruptcy agreement Wife agreed to continue paying Bancorp South's second mortgage payments to avoid foreclosure as they would not allow the parties time to list the house through the divorce. Therefore, Wife is paying the second mortgage while Husband lives in the house for free and collects rent from two (2) roommates that he has moved into the home. The balance on the second mortgage is approximately \$54,000.00. Bank of America holds the first mortgage with a balance of approximately \$240,000.00.

As of 1/10/2022 the VALUE is \$800k+ while only owing \$300k! That means we would have \$500k in EQUITY, had the Court NOT FORCED an Auction before DISCOVERY!

9. Wife tried to convince Husband to put the house in the market in the fall of 2018 as finances were getting tighter, however, Husband would not agree on anything and Wife believes that Husband will again try and do whatever he can in order to stall this process.

How do you use something I said AFTER she left me, as grounds for her leaving me? Didn't I need to be MEAN first?

10. Husband has threatened Wife, previously making the following statements:

"I promise you, it will cost you more if we sell than if we don't!" and "I will not fix it up for sale, and I will not live in it while it's on the market." (Text message July 27, 2018)

"If you choose to fight me on this, I will leverage every penny of this home which I legally can, plus it's future value to leave it in my will to whomever will fund my legal battle with you, no matter how complex the case, or how many appeals that it requires." (Text message March 27, 2019).

"I will work and fight to my death, to never allow you or anyone else to TAKE this property from me...." (Text message May 25, 2019).

Did you know that we used to text, call, email each other (or do a screen share) on average FIVE to TWENTY-FIVE times PER-DAY, until "d-day" struck? I probably have a DECADE's worth of EMAILS and maybe FIVE-years worth of TEXT messages (possibly more), if you want to READ them all before you start judging ME and MY CHARACTER on just a few of the most unsettling, AFTER she had

I also sent her text messages (or emails) where I offered to GIVE her MY EQUITY for FREE if she would live in OUR HOME, since we purchased it TOGETHER, because it was the desire of HER HEART!

Incidentally, NONE of my texts or emails are EVER that SHORT!

While I've been "LONGWINDED" ALL MY LIFE (and I can prove it). She knew what she was marrying into!

Everybody has their "pros" and "cons". Since you cherry-picked the texts which would make me look the worst, would you like me to respond by sharing all of her negative qualities, which I accepted and loved her in spite of?

Or would you rather that I show you ALL the texts and emails which were between these dates that were REALLY, REALLY NICE, when I wasn't scared to death about becoming HOMELESS, for trusting her enough to risk sacrificing my OWN HOME, for one which we both knew that I could never afford on my own!

Which is why we had a \$300k LIFE INSURANCE policy on just her, so I'd never become HOMELESS as a result of "risking a life larger" than I could ever afford, on my own. The only thing I never "prepared" for, was what if SHE EVER CHOSE to leave me? Oops!

Then Wife should have listed Husband's INVESTMENT AND EQUAL OR GREATER OWNERSHIP INTEREST IN THE PROPERTY. Whereby the BANKRUPTCY TRUSTEE would have been able to provide Husband with the legally required "341 NOTICE".

Instead, this was BANKRUPTCY FRAUD! The first of MULTIPLE LEVELS of FRAUD UPON THE COURT, BY OFFICER(S) OF THE COURTS!

Spanning both State and Federal Courts Simultaneously, Leveraging Attorney Story's Influence with Binkley and Beeler, to illegally DEPRIVE ME OF MY RIGHTS AND PROPERTY!

Next they illegally deprived me of my LIFE, LIBERTY, and PURSUIT OF HAPPINESS TOO, through the most obviously FRAUDULENT DEFAULT JUDGMENTS, while breaking every promise Binkley & Story made to me in Open Court on 8/29/2019!

Refusing me even NOTICE or any opportunity to participate in SECRET HEARINGS or defend myself!

All because I REPEATEDLY TOLD THE COURT ABOUT ATTORNEY STORY'S HORRIFIC ABUSE OF PROCESS. How she was intentionally targeting and exploiting my disabilities, for a strategic advantage!

ABANDONDED ME and REFUSED repeatedly to keep her promises, so that we could both survive the divorce without getting destroyed or displaced. Regretfully, somebody talked her out of that. You can read them to VERIFY that it was "mutual" and "consensual", without any "ABUSE" taking place. Instead, she LIKED it, she often INNITIATED it, I was like her best friend just on the other side of her monitor! Did you know that ISN'T A CRIME? Or even indicative of one?

"I will stay here until you, the banks, and the police carry me out of here." (Text messages, June 15, 2019)

11. Wife is unsure what all modifications and/or renovations Husband has done to the home since she left in April 2018. Prior to her leaving, Husband had installed numerous

security cameras and devices in the home and has rented out rooms to various individuals. ~~Wife is concerned that Husband may be devaluing the home by making undesirable changes to the property.~~

RETAIL "AS IS" (NOT at AUCTION!) Deceptive Manipulation

12. Wife believes the home to be valued at approximately \$425,000.00. The Williamson County Property Assessor values the home at \$386,900.00. 13. Pursuant to the terms of Wife's bankruptcy, if the home is not placed on the market in a timely manner, then one or both of the mortgage holders may begin foreclosure proceedings and the parties will lose all available equity in the property.

UNSUBSTANTIATED ALLEGATIONS without any good-faith, ethical, or legal NOTICE! My only real ASSET was in DEFAULT! My premarital retirement funds! I was due NOTICE prior to default; since Wife promised to pay & changed credentials, so I couldn't verify. My Counsel only had the case for FOUR-DAYS, because of Negligence by Prior Counsel, whom I had to terminate. Yet the Court and Ms. Story REFUSED to even give my substitute Counsel a FEW-DAYS to research options! It was all a FRAUDULENTLY ENGINEERED, CONSPIRACY AGAINST MY RIGHTS AND PROPERTY!

While Judge Binkley UN-REASONABLY ASSUMED, "well, if he doesn't want to be ABUSED by Attorney Story anymore, then I guess he doesn't want to defend himself or participate at ALL.

So we'll just skip his 250+ page ANSWER & COUNTER to every malicious complaint to date."

(Including an ad hoc "Divorce Answer and Counter Complaint", rendering a "DEFAULT" impossible!)

As Judge Binkley instructed Attorney Story to write and file a FRAUDULENT AFFIDAVIT, leaving out Information CRITICAL to the CASE, in violation of the RJC & RPC, as they cherry-picked the part they liked, while leaving out 3/4 of the CRITICAL CONTENT of Husband's handwritten letter left for Wife at the Marital Residence.

Fraud Upon the Court by Judge Michael W. Binkley and Attorney Virginia Lee Story, along with a BUNCH of their "friends"!

Despite the almost exclusively "fraudulent narrative" of Attorney Virginia Lee Story, any gender based discrimination by the Court and Counsel (which were significant), Wife had voluntarily been our family's primary "breadwinner" for about a decade, since obtaining her professional license and over doubling her income. Despite Ms. Story's blatant lies, Husband is NOT a "computer genius" and could not even qualify for an entry level job in computers, unless having some friend who could open the door and train Husband. Wife's earning potential is at least 3x that of Husband as an MIT graduated, highly accredited, Licensed Professional Architect. Wife was our family's SOLE provider the last 3-years of marriage (by her choice).

It was never a "toxic marriage", it was a "toxic divorce" because she refused to act in good-faith. Plus the "Trump Tax Reform" on 1/1/2019 made ALIMONY no longer TAX DEDUCTIBLE! So she waited for her boss to retire. (Known a year in advance.) Then SHE hired an ARMY!

mortgage payments that she has made since vacating the home in April 2018 and that after the repayment of the first and second mortgage, that any remaining equity from the sale of the home be placed in the trust account of attorney for Wife until a distribution can be negotiated or further ordered from the Court.

WHEREFORE, premises considered, Wife respectfully requests that this Court grant her

Motion to Sell the Marital Residence and that she be awarded her attorney fees for having to bring this Motion.

We both got \$0 from this FORCED AUCTION. We lost \$250k from what WE had invested into the home ourselves, plus almost a decade of my hard work. Auctioned for \$300k, resold for \$550k, worth over \$800k TODAY! WE BOTH LOST EVERYTHING BY THESE SCAMS!

Wife was paying our mortgages because she was our family's only "breadwinner" during that short season. She provided a budget whereby she alleged to be able to afford BOTH, along with the utilities, while paying me approximately \$1,000 per month for my consumables. Wife promised marriage counseling, going to church again together, trying to deal with our own issues while attempting to reconcile our marriage, etc... She even got an apartment near our home, so that we could "take turns" living in our home vs. the apartment, as well as to invite me over and "cook dinners" for us both, while sharing our pets. All of which she later refused.

Respectfully submitted,

Wife even said, in an openly recorded conversation (in the beginning), that she would pay for my legal counsel, but I didn't want to waste our equity if we could do things amicably. Ultimately she refused both.

The house was negotiated a hundred different ways, with me keeping it, her keeping it, us selling it, but never did I offer to render myself HOMELESS! Our last deal fell through because she refused to sign her OWN verbal agreement of paying me \$1,750 per month in ALIMONY, for a duration of 6-Years (plus my 50% equity), as advised was "FAIR" by a financial expert we hired.

THIS MOTION IS SET TO BE HEARD ON AUGUST 1, 2019 AT 9:00 A.M. ON THE CHANCERY COURT MOTION DOCKET HEARD AT THE WILLIAMSON COUNTY COURTHOUSE. IF NO WRITTEN RESPONSE TO THIS MOTION IS FILED AND SERVED IN THE TIME SET BY THE LOCAL RULES OF PRACTICE, THE MOTION

MAY BE GRANTED WITHOUT A HEARING.

I could have supported myself again, but not immediately or while trying to learn LAW & survive multiple legal ambushes. I needed some vocational rehabilitation and time to transition. Now Binkley/Story won't let me, because of a fraudulent OP for 6-YEARS to HIDE their CRIMES!

TESTIMONY EXPECTED

CERTIFICATE OF SERVICE

Plus, I no longer had my own Duplex/Home to return to (which almost paid for itself), but had invested everything into our marital residence. Because it was the house of HER dreams, and as a better retirement investment for BOTH our premarital funds, after the 2008 market crash!

I hereby certify that a true and exact copy of the foregoing was forwarded via first-class mail, facsimile, and email to Brittany Gates, Attorney for Husband, at brittany@gateslaw.com and 1616 Westgate Circle, Suite 116, Brentwood, TN 37027 on this the 17 day of July 2019.

HARD to BELIEVE, I know, that was their plan, but its **TRUE!**

When it comes to Attorneys working "on behalf" of another, although Attorney Story was by far the "pack leader" and I believe the "mastermind" of these crimes, each licensed BAR Member who participated should share SOME culpability, responsibility and liability.

We are not under "martial law" where anyone can claim they were acting under the direct orders of another, thereby relieving any personal responsibility to act lawfully and ethically. They "reasonably knew" or "reasonably should have known" what they were participating in. This collusion, accomplice, conspiracy, caused far more devastating damages and exploited my (human and ADA) inability to "multitask" and defend myself quickly enough, by superseding the rate at which Attorney Story could harm me on her own. I was held to a standard by Binkley/Story of a seasoned licensed Attorney. At least those involved could be held to a standard of being adults, having common sense, knowing the RPC, and ethically caring and respecting their Oaths.

Hello Brittany,

I'm writing to officially terminate our attorney client relationship, and to request that you please mail a refund for any portion of my retainer, which you are willing to return, either to myself or directly to my mother.

I've decided to go a different direction, so I will no longer be requiring your services on any matters which you were contracted to represent me on. So both in all actions related to my pending divorce, the potential sale of my home, as well as the Order of Protection, along with all related matters, and every other legal complaint, action, motion, or orders, both currently pending as well as in the future, I hereby revoke your authorization, permission, counsel, and representation for everything involving myself.

I further revoke your permission to receive service on my behalf, to forward any legal service or notification intended for me our my future counsel, to forward any emails or attachments from the court or Virginia Story's team to me, or from providing any contact information or details to anyone, on how to find, reach, or serve me.

I likewise revoke, cancel, and prohibit the use of the OATH page, which you had me sign in front of your receptionist/notary, when I originally retained your services.

As many of the matters which I originally hired you to represent me in, are in need of an immediate emergency response, I need to pickup my full attorney file from you tomorrow (Friday), if at all possible. Please let me know what time I can pick that up from you, your paralegal, or from your receptionist. Likewise, if you have my full attorney file in electronic format, which you can immediately email to me, I would greatly appreciate it if you would please send that to me as swiftly as possible.

Please include any and all documentation provided by Sandy Arons.

Thank you for your urgent attention to these matters.

I wish you the best of fortune in your business and life moving forwards!

Thanks!

Dear Jeff,

I wish you all the best in the future.

I will be in court tomorrow am and unable to produce your file on such short notice as I also have a duty to maintain your file as well, so I'll require additional time to produce.

Additionally, I will need to file the two motions to formally withdraw from your cases, at which point you'll receive the final bill for services performed on your two cases.

As a reminder, deadline for response to the motion to sell is quickly approaching on Monday & deadline to file answer/counter Tuesday per agreement with Ms. Story.

OP hearing and motion to sell is August 1. I'll draft and attempt to file the motions tomorrow.

Hello Brittany,

Thank you for your speedy work transitioning this case.

Yes, we can substitute before 8/1 and can file the necessary response on Monday.

Do you have a few minutes on Monday to discuss the file? I think that'd be the best way to gain some understanding of what we would need fairly quickly.

Again, thank you,

Mitchell

HUSBAND’S RESPONSE TO WIFE’S MOTION TO SELL MARITAL RESIDENCE

COMES NOW the Defendant/Husband, Jeffrey Ryan Fenton, by and through his attorneys of record, Charles M. Duke and Mitchell Miller, and for Response to Wife’s Motion to Sell the Marital Residence, would respectfully request that the hearing on the motion be continued for a short period of time, due to the fact that undersigned counsel only has been retained to represent the Defendant/Husband as of the filing date required of this response, the same being July 29, 2019, and an Agreed Order of Substitution of Counsel is being filed concurrently herewith regarding the same. Therefore, counsel for the Defendant would respectfully submit that additional time is necessary for undersigned counsel to review the matter fully and meet with their client, so as to fully and completely respond to a motion that will have such enormous bearing on the parties moving forward in this matter. Should the Court not allow a short continuance, and deem the hearing shall go forward as scheduled on August 1, 2019, for response to the Motion to Sell the Marital residence, Defendant would state and show as follows:

1. For the purposes of responding to the motion solely, the averments of Paragraph 1 of the motion are admitted
2. For the purposes of responding to the motion solely, the averments of Paragraph 2 of the motion are admitted.

KE

3. For the purposes of responding to the motion solely, the averments of Paragraph 3 are admitted, to the extent that Plaintiff has taken out an Order of Protection against the Defendant. Defendant denies that he has committed any form of domestic abuse. Defendant avers that the Ex Parte Order of Protection is baseless, and that Plaintiff acted for improper purposes when she applied for that Order. Defendant would show that the Temporary Restraining Order, automatically binding on both parties pursuant to T. C. A. §36-4-106 upon the commencement of this cause, prohibits the parties from harassing, threatening, assaulting or abusing each other, that such prohibition adequately protects both parties' interests, and that Defendant has complied with the Temporary Restraining Order.
4. For the purposes of responding to the motion solely, the averments of Paragraph 4 of the motion are admitted.
5. For the purposes of responding to the motion solely, the averments of Paragraph 5 of the motion are admitted, with the exception that Defendant denies that the situation had become "unbearable." Defendant avers that Plaintiff, in fact, deserted the Defendant, when Defendant did not have the ability or means to support himself or pay for the first and second mortgage on the marital residence.
6. For the purposes of responding to the motion solely, the averments of Paragraph 6 of the motion are admitted, with the exception that Defendant avers that Plaintiff chose voluntarily to burden herself with rent payments and utilities for a separate residence so as to desert the Defendant when, in fact, she could have continued living at the marital residence. In addition, Defendant avers that he currently pays the utilities for the marital residence, and that Plaintiff has the ability to pay certain household bills for the marital

residence, as the financially advantaged spouse, but instead chooses not to do so. In support, Defendant would show the Court that Plaintiff filed for bankruptcy in April 2019 and reported having gross monthly income of Seven Thousand Five Hundred dollars (\$7,500.00), after-tax-deduction income of Five Thousand Eight Hundred Forty-Five dollars and four cents (\$5,845.04), actual expenses of Three Thousand Twenty-Five dollars (\$3,025.00), leaving a monthly net income of Two Thousand Eight Hundred Twenty dollars and four cents (\$2,820.04). Plaintiff's Voluntary Petition for Individuals Filing for Bankruptcy is incorporated and attached hereto as **Exhibit 1**.

7. For the purposes of responding to the motion solely, the averments of sentence one of Paragraph 7 of the motion are admitted. Defendant is without sufficient knowledge or information so as to form a belief as to the truth of the averments of sentence two of Paragraph 7 of the motion and, therefore, denies same, and demands strict proof thereof. Defendant is without sufficient knowledge or information so as to form a belief as to the truth of the averments of sentences three and four of Paragraph 7 of the motion and, therefore, denies same in their entirety, and demands strict proof thereof. Defendant respectfully avers that he must continue to reside in the marital residence at this time, as he has no other choices for a residence, nor any funds to secure an alternative residence, due to being deserted by the Plaintiff and her refusal to continue to pay the mortgage on the marital residence, the one viable marital asset, so as to maximize any possible return to the parties if they were allowed to sell the residence by reasonable means as opposed to some sort of "fire sale," as requested by the Plaintiff herein.
8. Defendant is without sufficient knowledge or information so as to form a belief as to the truth of the averments of Paragraph 8 of the motion and, therefore, denies same in their

entirety, and demands strict proof thereof. Defendant admits that, currently, he has two individuals renting rooms in the marital residence, so as to be in a position to pay utilities and monthly expenses he must now solely pay due to being deserted by the Plaintiff.

Defendant respectfully avers that he must continue to reside in the marital residence at this time, as he has no other choices for a residence, nor any funds to secure an alternative residence, due to being deserted by the Plaintiff and her refusal to continue to pay the mortgage on the marital residence, the one viable marital asset, so as to maximize any possible return to the parties if they were allowed to sell the residence by reasonable means as opposed to some sort of “fire sale,” as requested by the Plaintiff herein.

9. Defendant is without sufficient knowledge or information so as to form a belief as to the truth of the averments of Paragraph 9 of the motion and, therefore, denies same in their entirety. Defendant respectfully avers that he must continue to reside in the marital residence at this time, as he has no other choices for a residence, nor any funds to secure an alternative residence, due to being deserted by the Plaintiff and her refusal to continue to pay the mortgage on the marital residence, the one viable marital asset, so as to maximize any possible return to the parties if they were allowed to sell the residence by reasonable means as opposed to some sort of “fire sale,” as requested by the Plaintiff herein.

10. Defendant denies the averments of Paragraph 10 of the motion and, further, objects to the characterizations of Plaintiff of them as “threats.” Defendant admits that he objects and opposes to the marital residence being sold at this time, and in the fashion, sought by the Plaintiff, as Defendant has no other viable means for housing at this time, and, as a Tenant by the Entirety of the marital residence, Defendant respectfully submits he should

be allowed to remain in the marital residence while this litigation is pending. Defendant respectfully avers that he must continue to reside in the marital residence at this time, as he has no other choices for a residence, nor any funds to secure an alternative residence, due to being deserted by the Plaintiff and her refusal to continue to pay the mortgage on the marital residence, the one viable marital asset owned by these parties, so as to maximize any possible return to the parties if they were allowed to sell the residence by reasonable means, as opposed to some sort of “fire sale,” as requested by the Plaintiff herein.

11. Plaintiff’s allegation and concerns that Defendant is devaluing the home are unfounded. Installing security devices would tend to secure, not devalue the home. Moreover, merely renting rooms to tenants does not indicate any misuse, waste, or devaluation. To the contrary, rental income from these tenants provides Defendant a means to maintain the property.
12. Defendant generally agrees with Plaintiff’s assessment of the home’s value and sale potential and believes the home could sell for up to \$450,000.00. Plaintiff’s averments in Paragraph 12, however, would tend to indicate that Plaintiff’s averments in Paragraph 7 are not accurate; if the home could potentially yield \$130,000 to \$150,000 in proceeds, it is not reasonable to say that a foreclosure would wipe out all equity. More importantly, however, determining these matters at this stage of the divorce action is premature. Plaintiff should be required to maintain Defendant at his accustomed standard of living while an equitable distribution of the marital estate is determined. Based on her sworn bankruptcy Petition, Plaintiff should have sufficient resources to pay all or most of the mortgages on the home or otherwise provide Defendant an appropriate amount of spousal

support during the pendency of this cause. Accordingly, these matters should be reserved for further determination of the division of the marital estate.

13. Defendant denies Plaintiff's assertions in Paragraph 13. Plaintiff has the financial ability to continue to pay all or most of the mortgages, which would also avoid foreclosure.
14. Defendant denies Plaintiff's assertion in Paragraph 14. Defendant has merely asserted his legal rights to demand an equitable distribution of marital assets and has attempted to communicate with Plaintiff to form a strategy that does not leave Defendant homeless or financially ruined. It is Plaintiff who created the financial crisis at issue by refusing to pay the mortgages and Plaintiff who now asks this Court to order a fire sale of the most significant asset in this marital estate. The Court should deny this unreasonable and premature request.
15. Defendant denies Plaintiff assertions in Paragraph 15. Plaintiff can pay the mortgage. Her selfish refusal to do so is what has created a time-sensitive crisis. Defendant does not have another place to live or financial means to secure alternate living quarters. While Defendant understand that neither party will come through this divorce unscathed, to ask Defendant to immediately leave his home because of a financial crisis Plaintiff created is an unreasonable and insulting proposition. It should be denied.
16. Defendant strenuously objects to any order to sell the home before the Court has assessed the full marital estate, particularly while Plaintiff has the financial ability to pay the mortgages and thereby maintain status quo. In the even the Court does order a sale, an auction would be an unreasonable fire sale that would almost certainly yield proceeds far below what the home would bring if listed on the open market. Moreover, an immediate auction would expose Defendant to significant liability to current leaseholders residing in

the home. Defendant therefore would ask the Court to order Plaintiff to maintain the mortgage for three (3) to six (6) months so that the home may be sold in an orderly fashion on the open market, yield the most proceeds possible, and limit Defendant's liability to leaseholders.

17. Defendant objects to Plaintiff's request in Paragraph 17. Plaintiff voluntarily, and abruptly left the marital residence. She should bear all costs of her decision, and no reimbursement from the marital estate should be permitted. Plaintiff's request for an offset of the proceeds should be denied because her payments on the mortgages were required to keep Defendant in the manner of living to which he had become accustomed. Further, withholding proceeds from a sale to determine any offset would literally render Defendant homeless, without any income, and without any funds available to secure alternate housing. Plaintiff's request is a cruel and unreasonable concept that this Court should reject out of hand.

Defendant would further state and show unto the Court as follows:

18. As noted previously, Defendant currently rents two rooms of the marital residence, so as to have some means of income to pay the utilities for the marital residence and to have some source of income. Should the Court determine that the marital residence should be sold in some form or fashion at this time, the Court take into consideration that the Defendant will need ample time to notify the current tenants of their need to vacate the residence located at 1986 Sunnyside Drive, Brentwood, Tennessee 37027; therefore, the Defendant would request that he, along with the current tenants, be permitted to remain in the residence until the home is sold, and that he be permitted ninety (90) days to properly notify the tenants of their need to vacate the property.

19. As a result of the two (2) leases with one-year terms, the Defendant is put into a compromising situation which could result in serious liability. His only two options are to either sell the marital residence with two active leases, or to pay the tenants to vacate early. If he elected to pay the tenants to vacate early, he would most likely have to reimburse them for the remaining months of their lease, security deposits for their next rental, moving costs, etc.
20. As one could imagine, the financial burden to the Defendant is monumental when considering these expenses; if anything, if the Defendant is forced to vacate the residence and also reimburse his tenants for vacating early, then Plaintiff should have to share equally in the costs for reimbursing the tenants as well.
21. The Defendant would further respectfully submit and agree, as condition to his remaining in the residence, that he shall maintain the home in pristine condition, pay all utilities for the marital residence and pay the first mortgage on the marital residence.
22. The Defendant would further agree to permit Plaintiff to inspect the home to determine the status of the interior of the residence, provided he receive notice of no less than forty-eight (48) hours of her intent to enter the former marital residence.
23. The Defendant would further aver that the Plaintiff willingly/intentionally failed to notify the Defendant of her bankruptcy proceedings as well as her failure/inability to pay the mortgage in a timely fashion, and that throughout the duration of the marriage, the Plaintiff has been the primary breadwinner and primarily paid the parties' mortgage obligations, moreover Plaintiff is well-aware of the Defendant's inconsistent employment history due to his debilitating mental health diagnoses which affect his ability to maintain continuous and consistent employment.

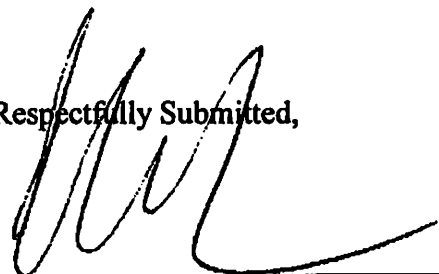

24. That the first and second mortgages as outlined in Plaintiff's Motion, are in the Plaintiff's sole name, and that according to these negotiable instruments, the Plaintiff is solely responsible for payment thereof. Because the Plaintiff failed to communicate with the Defendant as to the status of payment, and Defendant was not a party to the financial documents, it was an impossibility for him to have the ability to contact the lender to verify whether or not payments on the marital residence were being made in a timely manner, and to date is still unaware of when the last payment was received by the mortgage holders, as Plaintiff has failed or refused to provide him with this information.
25. In this aspect, it is arguable that the Plaintiff has unclean hands and that she is acting in bad faith because her past actions have undoubtedly created the present "emergency" as it relates to the possible foreclosure on the marital residence and the need to sell the home in an urgent fashion.
26. The Defendant specifically denies any allegation that he is guilty of domestic abuse towards the Wife, he acknowledges that an *Ex Parte* Order of Protection is in effect and that the hearing on the Order of Protection is set to be heard on August 1, 2019, which is the same day as the Plaintiff's Motion to Sell the Marital Residence is set.
27. The Defendant has not filed an Answer and Counter-Complaint to date as a result of an agreement between the attorneys to grant an extension to file such, and that this is irrelevant with respect to the Motion to Sell the Marital Residence as it has no bearing on the status of the marital residence and the mortgage payments.
28. As stated previously, Defendant acknowledges that he has two tenants residing in the marital residence, and that the rental proceeds are put towards the utilities and maintenance of the home and that he rented these bedrooms in an attempt to mitigate the

financial disaster that the Plaintiff put him in after she ceased paying the mortgage and the utilities, and deserted the Defendant.

29. The Defendant has transferred utilities into his name and that the utilities remain current, and that he agrees to maintain the status quo.

30. Should the Court order the sale of the marital residence, the Defendant would respectfully request that, pending payment of the existing first and second mortgages and any liens on the property, he be permitted an advance on his portion of the proceeds in order to obtain housing, as the sale of the residence will essentially leave him homeless, and without stable employment or rent from tenants, he has no other source of income at this time to rely upon for basic necessities and survival.

Jeff:

Thanks for speaking with me on the phone this afternoon. I appreciate the opportunity to clarify our billing rates and practices. This is to memorialize our conversation.

The firm will adjust the billing rates in the representation agreement as indicated below. The remaining terms will not be changed.

The firm is not requiring your mother to sign a guarantee at this stage. As you noted, the firm requires the retainer to be replenished when the retainer balance falls below \$1,000. So long as this happens, there will be no need to request a guarantee from your mother. However, we have an understanding that if replenishing the retainer or otherwise paying your invoices becomes a problem, we may ask you to provide additional financial assurance, and that may include asking for your mother to guarantee such payment. You understand that, while we cannot extend a fixed amount of credit at this time, the firm may, in its sole discretion, entertain alternative payment arrangements after we have established a history of trust and reliability.

I know you might have remaining questions. At this time, however, I believe we have covered the essential terms of our representation. Because time is of the essence, I would ask you to **please hold any questions until next week and electronically sign the revised Representation Agreement as soon as Rachel sends it to you.**

Billing rates:

Attorney Marty Duke: \$250/hr. (primary counsel)
Attorney Mitchell Miller: \$200/hr. (primary counsel)
Attorney Rachel Schaffer Lawson: \$300/hr. (as needed)
Attorney Landon Breazeale: \$225/hr. (as needed)

I have not read the entirety of your email because, quite frankly, I simply cannot spend the time reading it all. I will be brief:

1. You have EXHAUSTED the \$5,000 retainer. The amount of Marty's bill and SLF's together is over the \$5,000. Just because they came as two separate invoices does not change the fact that you have blown through it in expeditious fashion.
2. We will NOT be continuing to represent you on a flat fee.
3. You are obligated to pay what is owed on the invoices as well as anything up until we are approved to withdraw from your matter by the judge.

Rachel will be out of the office August 12th through 19th

As I re-read this, there is one other substantial concern that I need to address, and that is health insurance. Without health insurance, the price of my meds alone would break me each month (just like your xyrem)!

Would Ken be willing to keep me on your health plan for ONE YEAR, until I can complete my job training and can acquire a job that offers health benefits? Without this, even Cobra I would have no way to pay for, if I don't have a job. I also should maintain my counseling throughout, but that goes back to my questions about the transitional period.

MS. STORY: So he's got to be out for them to get this place ready to go.

THE COURT: All right. What date do you suggest?

MS. STORY: I have seen correspondence where he said September 1st. Now he's saying he can't. So I would suggest September 3rd, which is next Tuesday. And I would like the Order to reflect that the Williamson County sheriff's department will accompany him. And at this point --

THE COURT: You mean off the property?

MS. STORY: Off the property. And I don't think he needs to take any property.

What he did, Your Honor, in this response he filed, they had a TV that -- a Sony TV, a big screen, that my client's brother had given her. He now tells me in this response that he sold it for \$1,000. And then the other thing, there was a dehumidifier in the basement that was like a \$2,500 to 3,500 dehumidifier for moisture. He sold that. So if you let him take anything out at this point it's going to be sold and he's dissipating marital assets, which would be in violation of the restraining order.

And at this point Mr. Anderson, he can tag everything, they can video everything. We will

ORDER FROM AUGUST 29, 2019 HEARING

EX PARTE ORDER OF PROTECTION EXTENDED PENDING FINAL HEARING, RESETTING MOTION FOR VIOLATION OF ORDER OF PROTECTION, WAIVING MEDIATION AND SETTING FINAL HEARING, ORDER TO VACATE AND ORDER ALLOWING WIFE TO SIGN ALL NECESSARY CONTRACTS TO COMPLETE THE SALE OF THE MARITAL HOME AND CLOSING

This matter came on to be heard on the 29th day of August, 2019 before the Honorable Michael W. Binkley, Judge holding Court for the Chancery Court of Williamson County, Tennessee, upon Wife's Motion for Violation of Ex Parte Order of Protection and for Date Certain for Walk Through of House and Motion for Scheduling Order. It appearing to the Court based upon arguments of counsel, statements of Husband representing himself Pro Se, and the record as

a whole that the following shall be the Order of this Court.

FYI... my opposing counsel (Virginia Story) WROTE this "Order". This does NOT match "the record as a whole". Please compare the 8/1 & 8/29 Transcripts!

It is therefore **ORDERED, ADJUDGED and DECREED** that the Husband was again

X advised of the risks of proceeding Pro Se and that he is required to comply with the rules just as **No Choice! Court Deprived Husband of ALL HIS Assets & Income! Deemed "uncollectible" once house was gone!** an attorney is required. Husband acknowledged that he understood and wishes to proceed Pro Se.

X The Motion for Violation of the Order of Protection will be continued pending further Orders of **The "OP" meant NOTHING but LEVERAGE! ALL they wanted was MY HOUSE and ME OUT of it!** the Court as Husband had filed a very lengthy response on the morning of the hearing being

X **The alleged "Order of Protection" was just used (and still is) for EXTORTION, to BIND and SILENCE me!** August 29, 2019. The Motion for Violation of the Order of Protection will be reset with the Final

X Hearing in this cause set for October 21, 2019 at 9:00 a.m. The Motion for Scheduling Order and **I understood the term "the Final Hearing in this cause" to be referring to the issues WE had DISCUSSED to date,** to Waive Mediation in this cause is appropriate and the same is granted. **the results of our Auction & "OP".**

X **AT NO TIME did I understand this to involve the END of our DIVORCE, as we hadn't even BEGUN DISCOVERY yet, which I spent over an hour on the phone with my last counsel to learn how to navigate myself. (Call is recorded as proof!) PLUS Attorney Story had granted my Counsel an EXTENTION (which I have evidence of) on filing the "Divorce Answer and Counter Complaint", so that she could focus on her primary agenda, which was TAKING MY HOUSE!**

Ken says he is willing to keep paying for you to be on our plan for 1 year, maybe through the end of 2019, "as long as you don't cause more problems", heh.

Beyond that, we'll have to see where things stand with you, and with my company.

(Our office lease is up in March 2020, and Ken really wants to retire, and so there's no telling what my job will be after that.)

As I re-read this, there is one other substantial concern that I need to address, and that is health insurance. Without health insurance, the price of my meds alone would break me each month (just like your xyrem)!

Would Ken be willing to keep me on your health plan for ONE YEAR, until I can complete my job training and can acquire a job that offers health benefits? Without this, even Cobra I would have no way to pay for, if I don't have a job. I also should maintain my counseling throughout, but that goes back to my questions about the transitional period.
