Civil Action No. 1:23-cv-1097

PROOF OF SERVICE*(This section should not be filed with the court unless required by Fed. R. Civ. P. 4 (l))*This summons for *(name of individual and title, if any)*BANKERS TITLE & ESCROW CORPORATIONwas received by me on *(date)*August 21, 2024**Other (specify):**

Service of defendant BANKERS TITLE & ESCROW CORPORATION was initiated pursuant to F.R.Civ.P. 4(h)(1) (A) and Mich. Ct. R. 2.105(D) by delivering the *lawsuit service package* as itemized in ECF 69 and 69-1 of this lawsuit, via *certified* U.S. mail with tracking number 70202450000036715945, return receipt requested, to the registered agent, "R L MOORE" with *restricted delivery*, at the address listed with the Tennessee Secretary of State, Division of Business Services, for SOS Control #000259388. This package was successfully delivered to BANKERS TITLE & ESCROW CORPORATION on **August 27, 2024**, at 1:55 PM. (See attached receipt copies and proofs from the USPS.)

Despite serving this with the *return receipt requested*, per court guidelines, the *return receipt* mysteriously disappeared, which was the case in many of the lawsuit service packages sent. Postmaster Danielle Weisenstein, from the Linden Michigan Post Office, researched the delivery of this parcel and confirmed that it *was* successfully delivered, while providing the U.S. Postal Service's internal delivery confirmation with 'signature image' from the mail carrier's electronic keypad, signed by the recipient at the time of the delivery. (See attached receipt copies and proofs from the USPS.)

As a layer of redundancy to ensure that every defendant in this lawsuit was provided as much notice as possible, *alternative service* was executed via *email* using Streak Email Tracking Software, as explained in the MOTION FOR ALTERNATIVE SERVICE, filed in ECF 177 and 177-1. The attached screenshots show that Bankers Title & Escrow Corporation was provided email notice at nashville@banktitle.com on **September 24, 2024**, which was successfully received and viewed at least once that same day. Likewise, the link in the email to Plaintiff's website (service.jeffenton.com), where the entire lawsuit service package can be quickly and easily downloaded for free, was clicked on at least one time. For information about Streak Email Tracking Software please see <https://www.streak.com>. A video demonstration of this software can be viewed online at <https://www.youtube.com/watch?v=dMKtSYU-rd8>.

Due to concerns related to the delay of several outstanding defendants making an appearance in this matter, on October 28, 2024 at 11:52 AM, out of an abundance of caution, service of defendant BANKERS TITLE & ESCROW CORPORATION was initiated again, by delivering the *lawsuit service package*, this time using *registered* mail for better chain of custody controls and accountability. This package was shipped using tracking number RF753202366US, return receipt requested, with *delivery restricted* to the registered agent, "R L MOORE". Service was successfully delivered and signed for on **November 2, 2024**, at 12:31 PM. (See attached receipt copies and proofs from the USPS.)

Per Mich. Ct. R. 2.105(K)(3), "(3) An action shall not be dismissed for improper service of process unless the service failed to *inform* the defendant of the action within the time provided in these rules for service." Rule 2.105(K)(3) - Process; Manner of Service.

My efforts in this matter have been to err on the side of caution, for the benefit of the defendants, while successfully completing service with the highest degree of reliability I know how, for this price point.

I declare under penalty of perjury that this information is true.

Hello -
I emailed a few days ago but I am not sure the message was received since I did not hear back. My earlier correspondence concerned matters regarding certain outstanding payments I believe I still owe. As of now, it might be best to consider that I have tried to remit timely whatever is due in order to avoid late fees and/or penalties.

I also want to inform you that you have been named as a defendant in lawsuit 1:23-cv-01097 in the U.S. District Court for the Western District of Michigan. You should have received service of process by registered/certified mail pursuant to Michigan rule of civil procedure 2.105. Details of served process and the entire case can be found and downloaded here:

If you choose not to accept the relevant U.S. mail and/or decline to enter an appearance in the matter, a default judgment against you will be entered since you now have knowledge of the case.
