# MARY ELIZABETH AUSBROOKS

**X** Other *(specify)*:

Proofs of Service for defendants ROTHSCHILD & AUSBROOKS, PLLC (hereinafter "R&A") and Mary Elizabeth Ausbrooks were filed in this lawsuit in ECF 95-1, PID.5237-5246 (see attached 'Exhibit-A'). However, due to concerns related to the delay of several outstanding defendants making an appearance in this matter, including defendants Ausbrooks and R&A, out of an abundance of caution, service of the aforementioned was initiated *three more times*, using *registered* and *certified* mail, both requesting a *return receipt* and without, in an effort to bypass any potential screening criteria being used to either dodge service or defeat confirmation of service as required by the court's rules.

Despite executing service with *restricted delivery* exactly as outlined in Mich. Ct. R. 2.105(A), somehow <u>every</u> individual bar defendant in this lawsuit managed to defeat, or persuade their mail carrier(s) to help defeat, the successful *confirmation of service* as intended in this rule, by either interfering with return of the "*return receipt requested*", returning it blank and unsigned devoid of any delivery information, or returning it signed by someone <u>other</u> than the named defendant to whom the lawsuit service was clearly *addressed*, despite delivery being *restricted* to that specific individual. (See 'Exhibit-A' filed in ECF 96-1, PID.5265-5285.)

On October 17, 2024, at 11:55 AM service of defendants R&A and Mary Elizabeth Ausbrooks was initiated for the *second time* (see attached "SECOND SERVICE ATTEMPT"), at what is believed to be her *home address* in White House, Tennessee. Pursuant to F.R.Civ.P. 4(e)(1) and Mich. Ct. R. 2.105 by sending her the lawsuit service package as itemized in ECF 69 and 69-1 of this lawsuit, via *registered* U.S. mail with tracking number RF753202318US, electronic return receipt requested, with delivery restricted to the addressee. USPS tracking records show that delivery was attempted on October 25 at 11:11 AM, but *no authorized recipient* was available, so a *notice* was left. Followed by a *reminder* from the USPS on October 30. On November 9th, 2024, the status of the package was changed to "unclaimed" and began its "return to sender", which I received back in Michigan on December 9th.

On October 28, 2024, at 3:46 PM service of defendants R&A and Mary Elizabeth Ausbrooks was initiated for the *third time* (see attached "THIRD SERVICE ATTEMPT"), to the *Registered Agent Address* for R&A, as listed by the Tennessee Secretary of State, Division of Business Services, for SOS Control #000381114 (see attached 'Exhibit-B'). This was also the same address provided for defendant Ausbrooks by the Board of Professional Responsibility for the Supreme Court of Tennessee (see attached 'Exhibit-C'). Please note that defendant "Mary Beth Ausbrooks" is the Registered Agent listed with the Tennessee Secretary of State for R&A, with no other owner or partner names listed, with only the business address for R&A listed as both the Principal and Registered Agent Address, so there was no other known party *names* or *addresses* by which to notice R&A regarding this lawsuit, except for our best guess about her home address in White House, Tennessee, which we twice tried to serve her at.

The *third attempt* at service was initiated pursuant to F.R.Civ.P. 4(e)(1) and Mich. Ct. R. 2.105 by delivering to defendants R&A and Mary Elizabeth Ausbrooks the lawsuit service package as itemized in ECF 69 and 69-1 of this lawsuit, via *registered* U.S. mail (for improved chain of custody controls and accountability) with tracking number RF708196483US, with *delivery restricted* to the addressee. This time an electronic *return receipt* was requested instead of the traditional green card, to prevent it from potentially getting detached and lost in the mail. This package was **successfully delivered** and **signed for** by defendant Ausbrooks on November 21, 2024, at 2:41 PM. (See the attached receipt copies and proofs from the USPS.)

Not knowing which service attempts would ultimately prove successful and which would not, while trying to perfect service as quickly as possible for the court, on October 29 at 12:25 PM service of defendants R&A and Mary Elizabeth Ausbrooks was initiated for the fourth time (see attached "FOURTH SERVICE ATTEMPT"), at what is believed to be her home address in White House, Tennessee. In an effort to bypass any screening criteria possibly being used to evade service, this package was sent via certified U.S. mail with tracking number 70203160000230013578, without restricted delivery or requesting a return receipt. USPS tracking records show that delivery was attempted and a notice was left on October 31. Followed by a reminder from the USPS on November 5. On November 15, 2024, the status of the package was changed to "unclaimed" and began its "return to sender", which was received back in Michigan on November 22.

As a layer of redundancy to ensure that every defendant in this lawsuit was provided as much notice as was physically possible under the circumstances, alternative service was executed via email using Streak Email Tracking Software, as explained in the MOTION FOR ALTERNATIVE SERVICE, filed in ECF 177 and 177-1. Proofs of that service (see attached 'Exhibit-D') show that defendants R&A and Mary Elizabeth Ausbrooks was provided email notice at marybeth@rothschildbklaw.com on September 24, 2024, which was successfully received and viewed at least one time on September 25, 2024.

For information about Streak Email Tracking Software please see https://www.streak.com. A video demonstration of this software can be viewed online at https://www.youtube.com/watch?v=dMKtSYU-rd8.

"(3) An action shall not be dismissed for improper service of process unless the service failed to inform the defendant of the action within the time provided in these rules for service." Rule 2.105(K)(3) - Process; Manner of Service, Mich. Ct. R. 2.105(K)(3).

The court can decide whether service was sufficient with my first attempt, completed on 9/26/2024, as previously filed in ECF 95-1, PID.5238 & 5243. If not, certainly service was perfected for both Mary Elizabeth Ausbrooks and R&A on November 21, 2024, at 2:41 PM, upon receipt of registered mail article RF708196483US. (See the attached receipt copies and proofs from the USPS.)

My efforts in this matter have been to err on the side of caution, for the benefit of the defendants, while successfully completing service with the highest degree of reliability I know how, for this price point.

I declare under penalty of perjury that this information is true.

Defendant Ausbrooks and ROTHSCHILD & AUSBROOKS, PLLC, have refused to make an appearance in this matter, despite having been successfully served by the USPS, with Restricted Delivery on 8/26/2024, with a return receipt requested, and received back from Tennessee, signed by Judy Dobbins.

This package was sent with minimal restrictions, via Certified Mail, without a signed Return Receipt required. Though this lacks proofs required by the court, this defendant (along with others) has clouded and defeated the required proofs, so it's a matter of compounding proofs to demonstrate to the court that Plaintiff has met the burden of "reasonable efforts" to serve this defendant, while clearly providing her with sufficient notice to protect her interests via equal and due process, if she ellects to do so.

Despite executing service with Restricted Delivery exactly as outlined in Mich. Ct. R. 2.105(A), somehow <u>every</u> individual bar defendant in this lawsuit managed to defeat, or persuade their mail carrier(s) to help defeat, the successful *confirmation of service* as intended in this rule, by either interfering with return of the "return receipt requested", returning it blank and unsigned devoid of any delivery information, or returning it signed by someone other than the named defendant to whom the lawsuit service was clearly addressed, despite delivery being restricted to that specific individual.

In the case of defendant Ausbrooks, on 8/26/2024 service was signed for by Judy Dobbins, instead of directly by defendant Ausbrooks as addressed. Therefore, out of an abundance of caution, service was resent to defendant Ausbrooks (and other defendants) many different ways, using both Registered and Certified Mail, both at her residence as well as at her law firm, ROTHSCHILD & AUSBROOKS, PLLC, where she is listed as the Registered Agent with the TN Secretary of State.

It has been long believed that the defendants who were involved in the bankrupcy fraud in the U.S. Bankrupcy Court for the Middle District of Tennessee, have been dodging service and refusing to make an appearance in this matter, despite having been successfully served, some multiple times. In an effort to ensure that service is perfected to these critical defendants, efforts to reserve them have continued, both with and without Restricting Delivery, both with and without requesting a Return Receipt. In an attempt to bypass any screening critereia they might be using. To provide the highest probability of delivery, by as many means as are known, fiscally responsible and within reach.
