Hello -
I emailed a few days ago but I am not sure the message was received since I did not hear back. My earlier correspondence concerned matters regarding certain outstanding payments to the court I believe I still owe. As of now, it might be best to consider that I have tried to remit timely whatever is due in order to avoid late fees and/or penalties.

I also want to inform you that you have been named as a defendant in lawsuit 1:23-cv-01097 in the U.S. District Court for the Western District of Michigan. You should have received service of process by registered/certified mail pursuant to Michigan rule of civil procedure 2.105. Details of served process and the entire case can be found and downloaded here:

If you choose not to accept the relevant U.S. mail and/or decline to enter an appearance in the matter, a default judgment against you will be entered since you now have knowledge of the case.
