DEAR CASE WORKER,

I've been experiencing computer problems and only accessed this letter about a week ago, after it was already past due. I've been working on this for days since. Due to my disabilities, no task is simple in my world. While I've been overwhelmed and swamped for over three years now, fighting a corrupt legal system in Tennessee, who refuses to even acknowledge my most basic human rights.

I've lived at the SAME address as I have since returning to Michigan in 2019, that being the ONLY ADDRESS in the WHOLE WORLD where I can stay for FREE when I need to, which is with my MOTHER, Marsha A. Fenton at [REDACTED]

When I signed-up for assistance at Union Station at the end of 2019, I specifically requested that **my mother's address be kept confidential**. That was for my safety as well as for my elderly mothers. Because of a corrupt judge, and a bunch of corrupt attorneys, and auctioneers who perform Racketeering (RICO) directly out of the Williamson County Chancery Court, in Middle Tennessee.

They have and continue to threaten my safety, my freedom, my life, my liberty, while they illegally took my property, which was my life's savings, and everything I had saved toward retirement. But they didn't stop there... I wish there was a simple way to explain it to you, but they falsified the Court Records, to make it look like I was an evil monster who deserved nothing, and voluntarily chose to give away my home for free and relocate to Michigan, when I had no plans of ever living in Michigan again. (I planned to continue to visit my mom, but not to relocate here, as I was inevitably forced, purely to survive their illegal schemes.)

No offense, but I had lived in Middle Tennessee for 25-years, the weather was much better, I had a beautiful home, and the economy was thriving. Yet the RICO scam the Court and Counsel played on me, almost instantly (with just five-days notice) left me with no shelter, income, support, provision, or means to sustain myself, amidst a simple divorce with no children. Which I didn't even want, but agreed to, without the need for ANY drama.

I've used a mailing address for everything (including with the State of Michigan), at **17195 Silver Parkway #150, Fenton, Michigan, 48430-3426**. I don't recall giving the address where I physically reside to anyone other than the State of Michigan, yet somehow that was not kept "CONFIDENTIAL" as I requested.

I received some junk mail at my mother's address and became concerned that her address had been compromised. As quickly as I could, I switched my physical address with the State of Michigan to my aunt's house in Fenton, to help provide a tiny buffer or notice should the corrupt Court in Tennessee and over a half-dozen attorneys try to further harm me.

While physically I never moved. I've remained at my mother's home at [REDACTED] [REDACTED]. Since they were both located in Genesee County, and I haven't voted since I have been here, I thought it was "the least of greater evils", to help restore some peace, privacy, and protection here at my mother's tiny, open, and exposed home, for us both!

Since 2019, both me AND my mother, have been at FEAR for our SAFETY from a Corrupt Court and a gang of corrupt Attorneys who have repeatedly threatened me, with fraudulent incarceration, financial devastation, and physical harm.

It's not just ME. There are MANY people who literally fear for their safety and some even their LIVES and the LIVES of their family, from this same lawless pack!

I'm not the only person I know who has left the State and **SWORN to NEVER STEP ON TENNESSEE SOIL AGAIN, IN MY LIFE**, because of similar actions out of this same CORRUPT COURT, located in the wealthiest County within the State of Tennessee (unless I need to protect my ex-wife or to testify in a criminal trial against the Judge or Counsel).

The corruption within this Court has destroyed MANY LIVES! While one attorney who stood up to protect a victim I know of, was found DEAD the next day! (Against Judge Michael W. Binkley, the same judge who destroyed my life, in about as much time as his lunch break.)

In late 2019 when I started trying to figure out what in the heck just happened to everything in my life, I began Googling the names of the Corrupt Judge and Counsel, where I found a Facebook page dedicated to exposing the corruption and requesting the Investigation of this exact judge. This was one of my first steps to learning about more evil than I ever wanted to know, while connecting me with other victims: <https://www.facebook.com/judgebinkley>

So, the fact is that my address has NEVER CHANGED. I have no LEASE, I haven't been able to EARN a DOLLAR in the past year, while trying to guesstimate a budget for how much MORE IN DEBT that I go to my mother each month to pay for her electric bill tripling since I moved in, and to pay for my toilet paper, soap, deodorant, internet, phone, clothes, car insurance, office supplies for trying to fight this regime of injustice, and software subscriptions like Adobe Acrobat and Microsoft Word, to have the tools to TRY, seems completely pointless.

You can use the same exact budget that you have on file from my last interview over the phone, while to be clear, my mother is not "GIFTING" anything to me, except for RENT while I have

ZERO INCOME. Everything else she is keeping a running tally of, while I probably owe her in excess of \$20k currently.

I apologize for missing the due date and I hope that this won't affect my benefits. I only get the FAP for food, which I need, so that I'm not even more of a burden for my mother (she is a retired nurse, who planned retirement for herself, but not to support two people).

She can let me live here for free, when need be, but the additional expenses are really adding up. Especially after so long with no legal remedy or relief in sight. I've finally decided to try to file criminal complaints through the Michigan State Police, which I'm currently drafting documents for. My hope is that the Michigan State Police will work with the Tennessee Bureau of Investigation and the FBI. (Though that is probably a long shot.)

I've considered writing to Governor Whitmer to see if she can provide any assistance. It is hard to convince anyone to intervene with a powerful gang of lawless judges and attorneys, while many federal resources are devoted currently to "Domestic Terrorism" and were previously devoted to COVID.

So far, every judge backs the original judge's order, without even considering the possibility that the Trial Court Judge is Corrupt and the Opposing Counsel is one of his best friends (undisclosed). More absurdly, by "local court rules", my vexatious Opposing Counsel was allowed to WRITE the Court Orders HER SELF! To top it off, the Chancery Court Clerk & Master has literally been a "close family friend" of my vicious Opposing Counsel for over FORTY-YEARS. (Try to find any fairness, impartiality, or justice there! The Judge literally told me on Court Record, that "FAIR is something you do in the fall.")

Try as I do, each and every day (10-16 hours per day, at least 6-days per week), I've yet to reach **any help**. Unfortunately, I've learned that is common in cases of "Predatory Litigation". Most people have no idea that one corrupt judge can completely destroy their lives and literally render them homeless, broke, and destitute, in just an hour or two. Without being allowed to be heard, to provide evidence, to cross examine the bogus claims made about them, etc.

All these "laws", "civil rights", "constitutional rights", natural inalienable "human rights", and alleged "freedoms" that we were taught in school that we HAVE and honestly believe WILL protect us, until the day you find yourself in a corrupt "FAMILY COURT", up against an army of dirty attorneys, who have already setup a scheme to wipe you out, before you can even figure out what happened! Yet it happens EVERY DAY across our Country! (Actually, it's an epidemic in almost EVERY COUNTRY currently!)

You learn quickly that ANY WORDS ON PAPER (laws, constitutions, rights, judicial canons, rules of professional conduct) are only as good as the people who are appointed to HONOR & ENFORCE them! (We don't need more laws. We need more judges who respect the rights of the people, honor and obey the Law.)

I don't know how to explain what happened to me in Tennessee in a way that is believable and doesn't make me sound crazy. I'm not crazy, I'm just slow, overwhelmed, and a perfectionist (ADHD/OCPD/GAD). They intentionally targeted and attacked my known disabilities.

Recently my mother was doing something online, and one of those people finder ads popped up showing me living HERE at HER HOME, with her address plain as day. A week or two later, I had a similar experience while doing some research online.

Also, since I have decided to try to involve the Michigan State Police for our protection, I decided to change everything with the State of Michigan back to my mother's address, still wanting to keep it as confidential as possible, but knowing that there is no safety or hiding from the criminals who run Tennessee's judicial system! (Again, there have been ZERO changes for me physically or financially, just in the contact information with the State of Michigan.)

I'm providing an abundance of documentation proving my mother's address, and my living here. Such as my mother's property tax assessment for 2023, my voter registration and driver's license at this same address, along with even letters from my psychiatrist in Tennessee and my psychotherapist in Tennessee, who I both trusted enough to give my mother's address to.

I'll try to upload a few documents that SHOW you a tiny glimpse of the battle I have been fighting against a DIRTY JUDGE in Tennessee, Judge Michael W. Binkley, from the Williamson County Chancery Court, along with Attorney Virginia Lee Story, Clerk & Master Elaine Beaty Beeler, etc.

Hopefully this will be sufficient to maintain my benefits.

Please let me know if you need anything further and allow me some extra time to provide it to you. (I'm slow, I spent 9 hours writing this letter alone.)

Thank you,
