Previously shared email address used for our family's financial records and notifications.

Whatever makes you feel powerful. I'm still going to subpoena all these records, and the equity is all community property regardless of whose email the statements go to.

You're totally wasting your time. None of this is necessary. You are creating your own emergency, when none exists.

Oh well... please provide me with all account statements, for every account which you are blocking my access from, from Jan 2015 until current, so I can continue to work on our taxes.

Please do not change Amazon or Paypass, or I will need the final invoices for every single transaction since Jan of 2015. (I need for bookkeeping, as well as establishing value, as well as taxes, as well as for insurance purposes. You promised that you wouldn't lock me out of our finances! That you would update our SHARED LastPass folder, with all new or changed passwords for our financial accounts, or which I need to catch-up on bookkeeping!)

I promise I won't spend any money through your accounts except using the BOA Visa Rewards that you gave me, and which you promised a new card is already ordered with my name on it.

If you cut that off too, then I'll have no choice but to immediately pursue an emergency interim order, so that I can eat!
