MY QUESTIONS: Will I be potentially allowed to receive a financial award and/or restitution, from some/all of these OTHER parties in my case, as listed above? Or despite the actions of ALL the "bad actors", can I only receive financial damages/awards/restitution from my ex-wife?

WHAT can I do to PROTECT my ex-wife from further HARM (legally, financially, professionally), so not to help substantiate any criminal charges against her, for perjury, bankruptcy fraud, false testimony, etc... Though I have cried foul about that throughout my case, to slow the steam roller...

I hope to use those instances to help PROVE the CREDIBILITY of HER TESTIMONY CIVILLY, but I don't want any CRIMINAL charges brought against her! I especially want to have my record cleared and expunged of any "stalker" claims and Ms. Story's legal straight jacket, the fraudulent OP.

How can I help PROTECT my ex-wife from the POWERFUL FRIENDLY Court and her Counsel from "throwing her under the bus?"

Would I need to bring a separate lawsuit (which isn't financially, mentally, or emotionally an option) against the "bad actors" in my case?

It SEEMS to me, that since I suffered the LOSSES due to their harmful participation in these three related actions, that I could likewise receive a "cure" or become more "whole" (restitution, damages, award, judgment), from those same parties, through this APPEAL of those three related actions. Is that belief accurate? Is there a process for "adding" or "serving" them each? What do I need to KNOW in order to receive any relief?

Lastly, is there any way for me to seek financial relief for my EX-WIFE, from these "bad actors"? Advocating on HER behalf, within this SAME APPEAL? Due to HER significantly heightened damages, which SHE suffered as a result of having MORE POWER than she was either legally allowed or could realistically "handle", without devastating consequences. (It was like allowing a teenager to pilot the Space Shuttle!) There is a responsibility for negligence, by whomever LIFTED her into that seat!

Thank you!

While we do not fully understand all that occurred in connection with your divorce and possibly other proceedings, it is obvious that you have a very complicated legal history. It also appears that for at least part of the proceedings you were represented by Messrs. Miller and Duke, but with your consent, they withdrew. It does not appear that if you were unhappy with the actions of the trial judge why you have not appealed. If you are not currently represented by counsel, you are fortunate to be located in an area that has other very competent family law attorneys, some of whom may grant an initial low-cost consultation to review your complex history and give you a preliminary recommendation as to any further legal action you should take in light of the actions of the trial court and the lapse of time. Check with friends, family and colleagues for local attorney recommendations.

Thank you for your response.

ABSOLUTELY WORTHLESS "ANSWER" WHICH CLOSED MY QUESTION! I SUSPECT BY A "FRIEND" OF "SOMEBODY" :(NO HELP TO BE FOUND!

Actually, I do not have a complex legal history at all. I've never had a single arrest, and I knew absolutely nothing about the Judicial System other than my basic Constitutional Rights as a United States Citizen. I've had no interest in politics, being a social influencer, money, and power. My would actually make quite a happy hermit, leaving the house about once a week to procure groceries and run errands, if the World would only allow me to do that, if I could find a modest and sustainable way to work from home. But here comes the BIG IF: IF the World would respect my property lines, my property ownership, and leave me at peace without encroaching upon either my peaceful enjoyment of my property or try to seize and take away my property ownership (as unfortunately happened in this case), as a result of a failure of Williamson Counties Judicial system, to provide me with equal and due process.
